### Instructions:

Follow the line across from the rating to find the weight a horse would carry in the various race-type columns.

**Fillies and Mares:** When fillies and mares race against male horses they shall receive a 2.0kg weight allowance.

**Three-year-olds:** When 3YO horses race against older horses they shall receive a weight allowance which is a sliding scale that varies from 2.5kg in August to nil by the end of the season.

In open races they shall receive a weight allowance at the handicapper's discretion.

A detailed guide to Tasmanian handicapping can be found on: [www.tasracing.com.au](http://www.tasracing.com.au)

Some Victorian race columns have been included to provide a guide to the weights a horse might expect to receive in these events.
